2 – Provincial Plans		To be completed by plan member
Most provinces offer some form of drug coverage to their residents. Your Manulife drug plan supplements the coverage provided by provincial plans. It is important that you or your doctor (if required) apply to the applicable provincial program to ensure there are no delays in your drug reimbursement. Check with your doctor or login to the Manulife Provincial Drug Plans Resource Centre on our Plan Member Secure Site at www.manulife.ca/planmember to confirm if the drug you have been prescribed may be eligible for coverage under a provincial plan. If the drug you have been prescribed is listed under a provincial program, you will need to apply to the program before consideration can be given under your Manulife drug plan.
